Many people are surprised the MANCHESTER CLOTHING DEPOT SUPPLY SUPERIOR QUALITIES OF CLOTHING at such Astonishingly Low Prices, and wonder how it is they sell their goods so much less than their competitors.

The explanation of this is very simple, and the following are some of the principal factors in accomplishing this result:—

Their Immense Trade enables them to enter into Large Contracts with the Most Eminent Manufacturers to make Woollens and Worsteds specially for their Trade at a mere Commission on Cost.
