

## Celtic Spiral Necklace

**Required:** 50g unusual yarn - I used Handspun fine Merino double knitting yarn - dyed and spun on the Isle of Uist - the colour inspired by Uist Landscapes and called Atlantic. I bought it from the Hebridean Woolshed, Isle of South Uist.

Using 3.75mm needles, cast on 13 stitches.

Continue in this manner until the work measures 21 inches. Cast off.

Join cast off & cast on edges - allow to curl naturally.
