

**Rabbit's  
new friend**

Rabbit is sad.  
Percy has a special  
friend and he wants  
one too.

Percy tells Granny  
why Rabbit is sad.

Granny starts to  
knit.

Rabbit wonders  
what it will be.

It is a girl rabbit!

“Hello,” says Rabbit. “will you be my special friend?”

“Yes,” says girl Rabbit.

Percy says they each need a name.

Do they like the names Bailey & Adria?  
Yes they do.

Percy tells Bailey & Adria all about his adventures in the caravan.

“We want to go too!!!!”  
They say.

Next day, they see  
Granny & Grandad  
getting the caravan  
ready to go away.

While no one is  
looking, they sneak  
in.

Where should they  
hide?

In the cupboard?

In the bathroom cabinet?

Behind a  
cushion?

They decide on the cupboard.

It is a bit frightening when the caravan starts to move.

They are excited, where will it take them?

What adventures will they have?  
What will Percy say when they are found?

When the caravan stops, they can hear Granny, Grandad & Percy.

It is lunch time!

They come out of their hiding place.

Everyone is surprised!

They all have lunch.

It's nice to be together.
